In the Works...

Arts in the Neighborhood

Arts in the Neighborhood has recently begun conversations with the City of Williamsport/Recreation Department to bring art projects to kids. We have many exciting proposals being explored! We will keep you updated as these become available. Stay in touch!

PublicARTWORKS

PublicARTWORKS has been diligently working on a new "Pocket Park". This will be an exciting addition to Sanctuary Park, a pocket park located on Park Ave near the Red Shield Community Garden. First phase of plantings went in fall 2022. Second going in spring 2023. After completion of plantings by Tebbs Bros, PAW is sponsoring the installation of a paver stone path with natural stone benches and a stone birdbath with a backdrop of butterfly bushes. Children from the neighborhood, as well as, the Salvation Army's art program will be painting some of the pavers. Project is a joint effort of UPMC and Salvation Army.

Again, so much going on! Be sure to stay looped in.

Words from our President...

Wow! Looks like March will be coming in like a Lion! It may be cold outside, but we have lots of Art to warm your heart. Mark your calendars and plan to join us for our featured artist, Stacy Kelley's gallery opening. Happening inside Lycoming Arts Gallery her show kicks off on First Friday (March 3rd) and runs through the month of March. Stop in between 5pm-7pm-see the show- enjoy music by Rebecca Elkins- and mingle with friends old and new. See something you like? Artwork us available for purchase and benefits both the artists and Lycoming Arts. The following week we will be asking for your support of our efforts with Raise the Region 2023. We are so excited for this year's event. Our goal this year has been increased. Please help us if you are able. See our flyer page for hours and QR code for direct link to giving. Ready for some fun? Coming on April 1st Lycoming Arts is hosting A Fool's Ball at the Herdic House. We hope to make this an annual event. Purchase your tickets from any board member, on-line or at either Franco's or Herdic House. Music, festivities & great food. Don't let the joke be on you...you don't want to miss this unique event! Gearing up for the Lycoming College student teachers we will be hosting instruction workshops in March and April. This is a great opportunity for students to get some real life art class instruction experience. Classes will be held based on actual one hour public school art class with students between 3rd & 6th grades. We are very happy to be in a position to offer space for this important program. Check our website www.lycomingarts.org to get a preview of Williamsport First Friday events. See what music and special events will be happening each month. Interested in the bands, find our links to each. Interested in vending? We also have the lists of upcoming artists to be featured each month through 2023. Interested in showing? Interested in being one of our Selfie Wall chalk artists? Get in touch info@lycomingarts.org. Our PublicARTWORKS committee is working diligently on an exciting new project. Another great feature for our community. Stay tuned! We are an all volunteer organization. We love our River/Art town. And we love bringing the arts alive in so many ways for all if you! Jump in....the Art is fine!

Debi
