As we reflect on 2025, we are proud of the momentum Lycoming Arts has built in enriching our community through the arts. This year, we launched the Wild Valleys Film Office and produced the inaugural River Valley Film Festival, expanded the German Christmas Market to two days, and welcomed more than 35,000 visitors to Williamsport First Friday.

We secured the most grant funding in our history, commissioned a new Public Artworks mural in downtown Williamsport, presented 12 professional gallery exhibitions, hosted two book launches, and soft-launched the Susquehanna River School of Art as a new regional cultural trail.

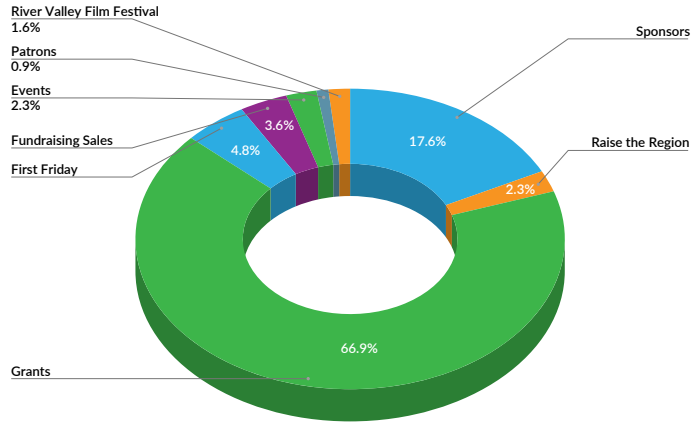

Looking ahead, we are excited to continue expanding opportunities for artists and strengthening the cultural life of Lycoming County. Thank you for being part of our journey as we work together to build a vibrant, creative future.

Warm regards,

PRESIDENT'S MESSAGE
