**Value Statement:** Lycoming Arts believes that the Arts are the most profound creative expression by humans for humans. The Arts nourish the imagination. They teach and inspire. They entertain. They provide relief from the daily grind. They are therapeutic and help to heal. Artistic expression connects us to each other and forges a sense of community.

**Mission Statement:** Lycoming Arts is a non-profit organization that seeks to enhance the quality of our community's cultural life, its economic health and the personal wellness of its members. Our monthly First Fridays, our local Student/Youth Galleries, Art on 4<sup>th</sup> workshops, and our Art2GO! mobile art cart are the current means of connecting people to artists, artisans and craftspeople and to the transformative power of art.

**Vision Statement:** Lycoming Arts aspires to be a **leader** by bringing art to our community through expanded existing initiatives and new endeavors. Lycoming Arts expects to deepen its role as a **partner** with local businesses and non-profits to accomplish its mission. With its understanding of the therapeutic powers of art and with the support of local healthcare providers. Lycoming Arts is poised to be an **advocate** for a mentally and physically healthy community.
